TRANSLATIONS

Il est bel et bon

My husband is handsome and kind, my gossip, my dear.

There were two women from the same village; One asked the other: "Do you have a good husband?"

"My husband is handsome and kind, my dear. He never is angry, nor does he beat me.

He does the housework and feeds the chickens while I enjoy myself."

"My dear, it makes me laugh when the chickens squawk: Oh, little chickie, what's the matter?

My husband is handsome and kind, my dear."

J'entends Le Moulin

I hear the millwheel "tique tique taque". My father is having a house built.

It's being built with three gables. There are three carpenters building it.

The youngest is my darling. What do you carry in your apron?

It's a pie made of three pigeons. Let's sit down and eat it.

While sitting down they all lept up, Causing the sea and fish to tremble, and the stones on the bottom of the sea.

O Lux Beata Trinitas

O blessed light and Trinity, And first Unity, Already the fiery sun is sinking, Pour light into our hearts.

We shall praise you in the morning with songs of praises, We shall praise you in the evening,

You our submissive glory, Will praise through all ages.

Ima Kokoni

I am here now. I sing here now. I stand here now. I listen here now.

My body being touched by air, wind and light, Something overflows from my heart.

Something is carried from myself to you. Something is carried into myself from you.
